SCART SESSIONS – BOOKING FORM INFORMATION

As we begin our new term we will temporarily be hosting sessions outdoors, during this period it is a requirement that places are booked on all of our sessions, the open access programme of previous years will no longer apply from 1st September 2020. To book your place, please complete the form below and return as soon as possible to BEvans@springwellcc.org

If you decide you no longer wish to attend that session you must let us know asap to enable us to give that session to someone else.

Please note our Outdoor provision and timetable is temporary until we are given permission to return indoors. When this happens we will notify all members and session times and days will return to our original plan for 2020/21

In all cases please check first that we have availability on a session. Kind regards
